

**FLORIDA INTERNATIONAL UNIVERSITY COLLEGE OF LAW
PROPOSED VETERANS LEGAL CLINIC NEEDS YOUR HELP NOW**

Florida is home to over 1.6 million veterans, second only to California. Florida's southern tri-county area has approximately 500,000 veterans with estimates that 50% are in the VA system. This comprises Palm Beach County 117,000, Broward County 110,000, and Dade County 64,000. The population of veterans is growing each year, as are the needs of the veterans and their families.

FIU College of Law is seeking to launch a Veterans Legal Clinic to provide pro bono assistance to those veterans and their families who lack the financial resources to obtain legal representation to pursue their claims, or address certain acute legal needs such as bankruptcy, or foreclosure.

The Veterans Clinic is totally dependent upon outside funding to establish and operate this advocacy and legal assistance program and as such we are asking for your financial help and support.

FIU is one of only a handful of law schools in the country who have offered to assist in the diverse needs of our veterans and their families.

Your gift will personally involve you in the success of the Veterans Clinic's mission; *to serve the unmet legal needs of Florida's veterans and their families.* Your gift will directly serve our nation's veterans and their families, and is tax deductible to the extent allowed by law.

Your gift can be made payable to:

FIU Foundation, Veterans Legal Clinic
FIU College of Law
11200 SW 8 Street
Miami, FL 33199

Thank you for helping us advocate on behalf of our nations veterans and their families, who, deserve so much for their service and sacrifice, and ask so little.
